"PREPARED BY AND FOR THE WALT DISNEY WORLD CAST"

NOVEMBER 20, 1981

THIS SEASON GIVE THE GIFT OF LIFE

It is the time of year when everyone is busy making lists, deciding what to give to friends and relatives for the holiday. This year, put the **Holiday Blood Bank** the first name on your gift list.

By giving a unit of blood, you will be helping someone else in your community . . . you might even save someone's life. Your donation helps Walt Disney World Co. maintain our blood bank account; if you, your family, or other cast members ever need blood, it will be drawn from this account.

Walt Disney World Co. schedules blood bank drives for two reasons. First of all, our drives occur during the times of year when the community faces the most critical blood shortages. Busy with holiday plans, few people take the time to donate. Second, out-of-state visitors require our help at times. More importantly, the Walt Disney World Blood Bank covers **all** employees' and their immediate families' needs, **even if** they didn't give blood. A unit of blood now costs \$30. If you or your family should ever need a transfusion, contact Gloria Jacobs at extension 4736.

You might wonder what happens to your blood when you donate a unit. First, be assured that 100% of your donation is utilized. Blood is never thrown away. The Central Florida Blood Bank provides total transfusion supplies to hospitals in Lake, Orange, Osceola, Seminole, and St. Lucie counties. Your whole blood can be stored for 35 days; if unused by then, it's broken down into various components and kept until used, sometimes up to one year.

Giving blood is safe and simple. The donor requirements protect you as a donor and also as a future recipient. They are as follows:

- (1) Donors must be at least 17 years of age. All 17-year-olds must have written consent from a legal guardian.
- (2) Donors must weigh at least 103 pounds.
- (3) Donors must have never had jaundice or hepatitis.
- (4) Donors should not be taking prescription medications of any kind.
- (5) Donors should not have a cold, sore throat or flu symptoms the day you donate.

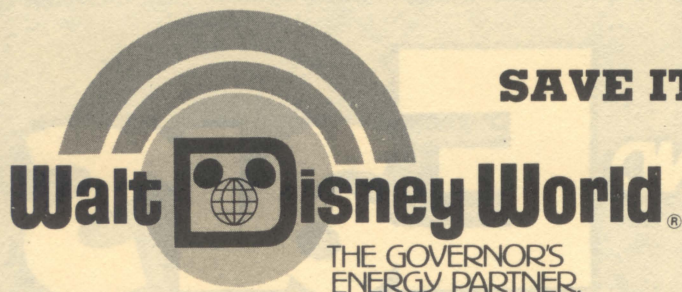

To donate, first check with your supervisor to get clearance to leave your shift. Next, call for an appointment at Cast Activities at extension 5757 or 824-5757. Appointments save you time, although it only takes 20 minutes to donate. Afterward, you are given a receipt to return to your supervisor. Every employee giving blood will be released from his/her shift.

The schedule of the Central Florida Blood Bank Mobile Unit and their locations are:

Thinking About Going Solar?

Here are some suggestions for you to consider if you are thinking about installing a solar water heating system in your home or business:

- Assess your energy needs. Determine if a solar water heating system will be cost-beneficial for your situation. Information to help you make such an assessment is available from the Florida Solar Energy Center and the Governor's Energy Office.
- Take your time in selecting a system that will be right for you. Obtain several estimates.
- Be sure the system you choose is sized correctly for your use. Hot water needs should be analyzed to assure proper sizing of the system.
- Determine a contractor's qualifications. Find out how many systems the contractor has designed and installed. Get references from people who have had systems installed and are satisfied. If possible, try to inspect the contractor's previous work.
- Buy locally if possible. Local companies are more interested in pro-

tecting their reputations.

- Beware of advertisements that offer "fantastic long-term guarantees" or "maintenance-free" systems.
- Get a written estimate of performance and energy savings, and insist on a written contract and a written warranty.
- Make sure the system has been certified by the Florida Solar Energy Center.
- Don't try to install a system yourself unless you have the necessary plumbing and carpentry skills and tools.
- Remember that the 40% federal income tax credit and state sales tax exemption help keep down the price of installing a solar water heating system.

Additional information on solar systems is available by writing to SAVE IT AT HOME, Governor's Energy Office, The Capitol, Tallahassee, FL 32301, or to the Florida Solar Energy Center, 300 State Road 401, Cape Canaveral, FL 32920.

LETTERS TO US

To a Cast of Friends,

Just a note of thanks for the beautiful plant I received while in the hospital. The flowers and cards, visits and calls were all wonderful! Hearing from friends always makes an illness easier to bear.

With heartfelt thanks,
Caryl Brigrance

Our sincere thanks to all our fellow cast members. We really enjoyed the card and gifts you sent after the birth of our new son.

The Carter Family

My thanks to the Walt Disney World cast and all my co-workers who sent flowers, plants, and cards. I also appreciated the many visitors who stopped in during my stay in the hospital. Your concern helped brighten my days. Thank you!

OUR GUESTS COULD BE GRAND MARSHALS!

A few weeks ago we told you about all the special people who have hosted our Tencennial Parade as grand marshals. Since that time we've had other parade hosts and hostesses, who, although may not be classified as bona fide celebrities, they are special Walt Disney World visitors.

Every weekday, the **Publicity Department** is responsible for providing a grand marshal for the parade. When the schedule has an opening, **Dave Herbst** and others from the department will venture into the park to find guests interested in hosting the parade. Requirements of grand marshals include the ability to ride in a chauffer-driven electric car for half an hour, to wave to the crowd and to have the time of their lives in our Tencennial Parade.

Most of us believe only celebrities can act as Grand Marshals.

So far this year we've had as our grand marshals **Pat and Dawn Davis** of Reading, England. Before this trip to the United States they had never been outside of England, never been on an airplane, and after 25 years of marriage, they never had a honeymoon! Both had taken on extra jobs to save for the trip. Being in the parade was a highlight of their vacation.

Also hosting the parade were **Earl and Dottie Laubenstein** of Baltimore, Md., celebrating their 43rd wedding anniversary. For the past 10 years, the couple have traveled the 1,000 miles to Walt Disney World every October 29 for their anniversary celebration. Earl described his reign as grand marshal as "a dream come true."

Also, a Largo, Fla., family, including a 6-year-old "bundle of energy," took the trip down Main

Perhaps you know of someone planning to visit the Magic Kingdom who could be a Grand Marshal.

Street, U.S.A., where much of the first grader's energy was expended waving to the crowd.

Perhaps you, as cast members know of someone — a friend, relative, or any special person — who could be the grand marshal in our year-long parade. Maybe you'll be chatting with some guests one morning and think, "Hey, they'd be great in the parade!" Honeymooners, guests with a special tale of their vacation, baton twirlers, and what have you are our special guests, and we'd welcome honoring them in our parade. So, keep your eyes and ears open for these "celebrities" who may become a Tencennial Parade Grand Marshal, and don't hesitate to call Publicity if you find someone eligible.

CAST CHOIR PERFORMANCE DRAWS NEAR

The **EYES & EARS** staff visited a recent cast choir rehearsal, and we were pleasantly surprised upon hearing the choral sounds of over 100 cast members under the direction of **Dan Gordon**, music director for West Orange High School. Choir members have volunteered many hours to participate in this year's Candlelight Processional as members of the Living Christmas Tree. Many of you will be able to see the performance at the Cast Family Christmas Parties. We're sure that these singers will make our traditional Candlelight Processional one more delight of the holiday season.

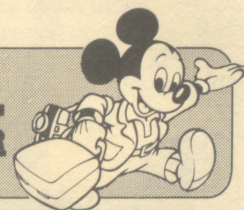

Director **Dan Gordon** readies the choir for their Candlelight Processional performance.

Cast members volunteer their time to participate in this annual holiday event.

TRAVEL CENTER

WDW TRAVEL CO. NEWS

The Walt Disney World Travel Co. has been doing a little "traveling" of their own lately. They packed up and moved down the street and around the corner to the **Walt Disney World Village Office Plaza** in the Sun Bank Building, 1675 Buena Vista Boulevard, just across from the shopping Village. Although they have a new location, they still work just as hard, from 9 a.m. to 5 p.m. during the week, and from 9 a.m. to 4 p.m. on Saturday. Make a note that the Travel Co. has relocated or better yet, stop by and see their new office.

CAST ACTIVITIES

NEWS

TICKET DISTRIBUTION BEGINS FOR DECEMBER CAST PARTIES

With Thanksgiving just a week away, that means Christmas can't be far behind. And with Christmas comes our traditional cast parties, when Walt Disney World Co. management takes time out to say "thank you" to the cast for the year's hard work and enthusiasm in providing our guests with the very finest in family entertainment. This year we have planned an extra special party ... in fact, two parties ... as we close the Magic Kingdom to the public and re-open it just for you and your family!

It's our annual **Walt Disney World Family Christmas Party**, and this year will be held on two Friday evenings: **December 4 and 11**, from 8 p.m. till midnight. Here's what is planned in your honor for the evening:

- Free parking and admission to the Magic Kingdom.
- All attractions are free for the evening.
- There will be specially priced food and merchandise.
- A complimentary family photograph for each cast family.
- Complimentary holiday candy for one and all.
- A super parade, in which we **combine** both the Tencennial Parade and our Christmas Parade.

What an evening for you and your family! It's our way of showing appreciation for the fine job you've done throughout this banner year.

This year's Walt Disney World Family Christmas Party is open to all Walt Disney World cast members and immediate dependents. This would include husband and wife and children still living in the household. Parents, brothers and sisters, neighbors, etc. are not considered dependents. Single cast members will be given admission for two, so that they may bring a date or friend.

You will be given an opportunity to receive an admission ticket to one of the parties this week. Distribution is

being handled by each division office. This year you will note a change from parties past, as we give you a **personalized ticket**. Your ticket will be stamped with your **name** and the **number** of qualified dependents you have. To attend, you must present this ticket and either your WDW ID or Main Gate Pass for admittance. Only you and the number of dependents stamped on the ticket will be allowed inside. (If you are working and cannot be with your family at the gate, please give them the ticket and your Main Gate Pass.)

This year you **MUST** park only in the **main guest parking lot**. No one will be allowed to walk from our resort hotels to the Magic Kingdom. Please have both your ticket and corresponding WDW ID ready to present at the Transportation & Ticket Center (TTC) gate for admission to the party.

Hang onto your ticket

This year, it is very important that you hold on to your ticket once inside the Magic Kingdom. Your ticket is to be used to get both your **family photograph** (absolutely free) and **holiday candy** (again, free).

Also new this year will be the candy distribution locations. As you enter the Magic Kingdom, you will be given a list of six locations where both photographs and candy will be distributed. The locations will be open from 8 p.m. till midnight, so we encourage you to get these items sometime during your evening ... **not** at the end of the evening as in years past.

Once again this year, we are asking cast members to bring an **unwrapped gift** for a less fortunate child. There will be boxes located at TTC to deposit these gifts.

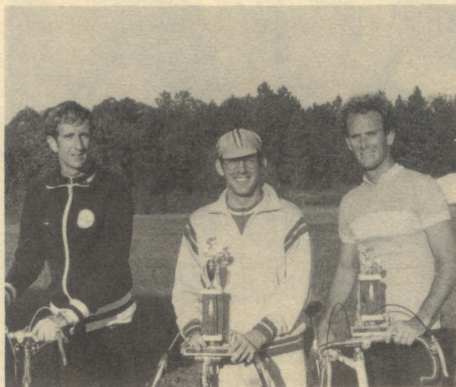

Merry Christmas and we'll see you at the party!

SPORTS, CLUBS & SPECIAL EVENTS

BIKE RACE RESULTS

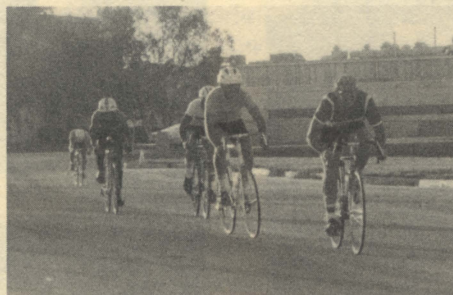

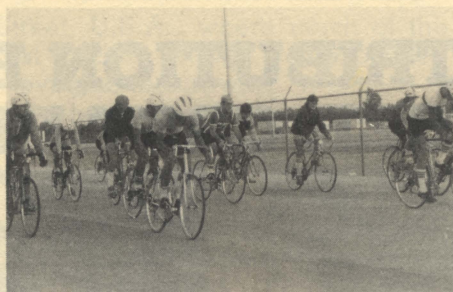

Our first ever 20,000-meter bike race went off without a hitch this past Saturday with great assists from our **Security** crew along the course, and volunteers **Matt Thursam**, Purchasing, **Warren Walker**, WED/Art & Design, and **Lydia Owens**, Print Shop, who took care of all of the important recording, place-judging, and photography, plus other sundry but vital duties. In the Men's Division, the first five places ended up only 3.3 seconds apart! Time yourself on your next yawn and you'll find it takes more than 3.3 seconds! Taking the

gold was **Jim Martin**, Finance, in 32:56.7, with **Bill Keith**, Contemporary Marina, 32:57, and **Ken Paschall**, also Contemporary Marina in 32:57.2, **Dick Beck**, Watercraft, 4th with 32:58.1, and **Leon Clifton**, Lake Patrol, wheeling in with a 32:59 with **Lydia Owens** recording this "photo finish." On the distaff side (that means ladies) **Kathleen Hensel**, a

late entry, radialed to a good 40:22 for the top trophy, with **Sue Stojanovich**, WED/Art & Design (and **EYES & EARS** fame) next with 42:38, and **Trish Shannon**, also from WED/Art &

Design, rolling home in 46:03. Next two ladies in were sisters, **Marilyn and Mary Webb**, Laundry, with times of 58:09 and 58:24. These gals crossed the finish line to cheers and applause from the cast assembled for finishing this, their first real competition. The rest of the men's times had: **Brian Noon**, Vista United, 35:54.2, **Tom Black**, Fort Wilderness, 38:06.7, **Richard Stelts**, Admissions, 39:45.7, **Bob Krawczyk**, WED/Art & Design, 39:53, **Rick Varley**, WED/Art & Design, 40:03.5, **Rick Neely**, Outdoor Foods, 40:20.8, **John Nagy**, Plaza Gifts/Contemporary, 46:14.5, **Mitch Branch**, Admissions, 47:54.9, and last but not least, **Art Winters**, WED Planning, who had tough luck when his bike broke down and he couldn't finish the race.

The committee awarded an honorary time of 59 seconds flat, W.D.** (** "without drafting"). In conclusion,

thanks to all for proving again, Walt's old adage "It takes people": **Bob Streit**, Security, for race planning and course control, **John Smith and Crew**, Security, course security and communication, and most importantly, the **Racers**, one and all, for getting up early on a busy weekend. Now ... to form that biking club, for state tours, inter-city and company competition.

DIAMOND DUST

Cool weather, space shots, and some rain did not deter our softballers from the swift competition of their appointed diamonds last week. Action continued in what started out to be a 16-team, double elimination championship. Second round "A" bracket scores had **Giraffe** over **Drydock** by 12-4, **WED Sox** taking **WED** by 9-5, **Pecos Bill** rallying late to edge **Golf Operations**, 7-6, **LBV Landscaping** trimming **LBV Merchandise** by a 10-7 final.

Meanwhile in second round "B" bracket's contests, two teams remain undefeated with the **Superballers** blasting several home runs to lead all the way in defeating **Theme Park Maintenance**, 21-10, and **Deposit Ops** slamming out a 12-5 victory over **Snafu**.

Elsewhere, **World Landscaping** eliminated the **Contemporary Marina** team by 18-6, and **Salmonella** did the same to the **Contemporary Resort** by a 10-5 final tally with rain canceling out their third round games. However, "A" bracket played their games. **Giraffe** impressed a 24-11 win over the **WED Sox**, **Pecos Bill** hung tough with a 12-4 total over **WED** to eliminate them, and **Drydock** rallied late to get by a tough **LBV Landscaping** crew to knock them out of competition. More scores next week, when hopefully we will crown a champion.

HOOPSTER HOT-LINE

Only one undefeated team remains in our basketball league playing every Monday night at Pine Hills and that's the **Polynesian Stars**. Though a late starter in league play, they managed their fourth win with a 52-46 triumph over **MO7** last week. The big upset of the week was 44-43 "close" by the **Contemporary II** crew, who pulled to a 3-2 won-lost record with this one over previously

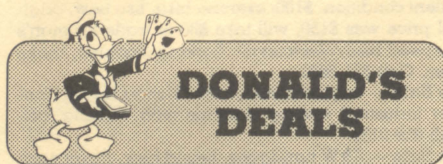

Continued

undefeated **Theme Park Merchandise**, now 4-1. Elsewhere, the **Fubars** ran late to break to a 64-58 final over **Watercraft**, with Fubars now 3-1, and Watercraft still to win a game.

Other scores:

- **Captain Jacks** over **Royal Plaza** 51-32
- **Contemporary I** over **Tree Fab** 37-32
- **Survivors** by forfeit over **Golf Ops**

A new team just added to the league will be the **Duckers**, a team representing Polynesian Food Services. Check out the action any Monday night, through December 14, beginning at 7 p.m. at the Pine Hills Boys' Club gym, 1½ miles north of SR 50 on Pine Hills Road, at Rameriz Drive. See you at the gym.
